**Wilson County has received word from Dr. John Hellerstedt, Commissioner of the Department of State Health Services; businesses that operate at 75% capacity now have to cut back to 50% capacity.**

**As per Governor Abbot's Executive Order GA-32, any business that is operating at 75% capacity in a Trauma Service Area with seven consecutive days in which the number of COVID-19 hospitalized patients as a percentage of total hospital capacity exceeds 15 percent must now cut back to operating at only 50% capacity. Trauma Service Area P (TSA P) has met these criteria. Wilson County is in TSA P. Therefore, the reduced capacity restrictions applies to Wilson County.**

**Besides the new capacity restrictions, the recent surge of COVID-19 hospitalizations in TSA P activates the provision in the Governor's Executive Order stating that all bars in Wilson County must close.**

**The new restrictions will be lifted and capacity returns to 75% once TSA P is below 15% for seven consecutive days.**

**The public can find more data on hospitalizations at [dshs.texas.gov/ga3031/](https://dshs.texas.gov/ga3031/)**
